- * Bedding and pillows will be provided by CAMMAC for those staying indoors. **Bring an extra blanket if you are prone to getting cold at night.**
- * **Bring towels, mirror (for hair fixing, shaving, etc.) and any other personal stuff** - Accommodations have electricity. There are shared washroom and shower facilities. Don't forget your bathing suit, sunscreen lotion, and **insect repellent**.
- * A **Camping area** is available for those who want **more privacy** in their own tents or camper vehicles. It is equipped with electricity and washrooms/showers, and is close to the main activities for convenience.
- * **FLASHLIGHT AND CAMPING LANTERN** – some areas of the campus are not lit at night, so you will need a **flashlight** and **camping lights**.
- * **Personal snack food and beverages** – Meals and afternoon coffee breaks will be provided but if you are prone to "late night munchies," please bring your own supplies. There are refrigerators in the camping area if required.
- * **Music stand** - Please bring your own stand and be sure to **mark it with your name** so that it can be identified.
- * **Instruments, including drum kits and keyboards, amplifiers, microphones (we could use extras) etc.** Keyboard/piano players, please check with the JazzWorks administrator regarding your need to bring a keyboard to camp. **Important:** Be sure to **mark your name on your equipment** for identification purposes.
- * **Copies of at least two charts/fake sheets** you would like to rehearse in "combo" sessions. If you have them, bring charts of other tunes and/or fake books for the jam sessions.
