

## What to Bring To Jazz Camp

**PLEASE REMEMBER THAT YOU WILL BE MANY MILES FROM A CONVENIENCE STORE,  
SO REMEMBER TO BRING PERSONAL ESSENTIALS**

- **Your instrument, including: drum kits and keyboards.** Pianists, please check with the JazzWorks' administrator about bringing your own keyboard to camp, as we do rent some pianos from CAMMAC for the workshop. **Vocalists**, if possible, bring your own **microphone, cable and stand**, PA with cables, extension cord and/or power bar, water bottle, recorder (optional), fake books, **charts in your key** for tunes you know well, with Eb/Bb versions for the combos if possible.
- **Amplifiers, microphones (extras are always needed), a music stand.**

**\*Important: Be sure label ALL your equipment with your name for identification purposes.\***

- Copies of at least two charts/fake sheets you would like to rehearse in the combo sessions. If you have them, bring charts of other tunes and/or fake books for the jam sessions.
- Music, manuscript paper, pencils, erasers.
- Flashlight and camping lantern. Some areas of the campus are not lit at night, so you will need a flashlight even if you are staying in the indoor accommodations.
- A camping area is available for those who want more privacy in their own tents or camper vehicles. It is equipped with electricity and washrooms/showers, and is close to the main activities.
- Bedding, pillows and towels will be provided by CAMMAC for those staying indoors. Bring an extra blanket if you are prone to getting cold at night. Please bring your own towels if you are camping.
- Bring a mirror and any other personal items you may need. Indoor accommodations have electricity. There are shared washroom and shower facilities. Don't forget your bathing suit, sunscreen lotion, and insect repellent.
- Personal snacks, food and beverages. Meals and afternoon coffee breaks will be provided but if you are prone to "late night munchies," please bring your own supplies. There are refrigerators in the camping area if needed.
- Lawn chairs, mats, tennis racquet, hiking footwear, if you so wish, and anything else you can think of to make your weekend comfortable.
- **NOTE: Please avoid bringing valuables such as jewellery. JazzWorks will not be responsible for lost or stolen items.**
- **NOTE: Participants under the age of 18 will not be allowed to possess or consume alcoholic beverages.**
